

Medical Officer

c.£74,500

Permanent

Dstl, Porton Down, Salisbury, Wiltshire

Looking after Defence's most valuable asset - People

As an Agency of the UK Ministry of Defence, the Defence Science and Technology Laboratory (Dstl) provides integrated research, development and advice on the biological effects of insults on the human and how these effects can be mitigated through the application of cutting edge science and technology.

We're looking for an experienced medically qualified professional to make a leading contribution across a wide range of defence research and development programmes aimed at saving lives and keeping the UK's Armed Services operational.

A key member of the Biomedical Sciences Department, you will:

- Provide medical input into research programmes, helping to ensure that the technical strategy, is sound from a medical perspective
- Conduct clinical trials and provide medical cover for other human volunteer studies
- Take direct responsibility for the welfare of subjects involved in trials and studies
- Engage and liaise with the other Medical Officers to maintain the medical capability

To take on all the challenges this role brings, you will need:

- Full GMC registration with a Licence to Practice medicine
- To have completed Higher Specialist Training or be listed on the GP register
- Ideally, qualifications in Pharmaceutical Medicine
- Preferably, experience of conducting clinical trials and a knowledge of ICH GCP

At Dstl we ensure that the best science and technology solutions are available to underpin the nation's defence and security capability. Your work here will make a valuable contribution to addressing the ever-changing challenges faced by the members of our Armed Services the MoD and the UK Government. Job reference: 23702. Closing date: 5 February 2012. Interview Date: 20 - 28 February 2012. Open to UK Nationals only.

All our vacancies are listed on the [Civil Service jobs website](https://jobs.civilservice.gov.uk/company/nghr/jobs.cgi) [https://jobs.civilservice.gov.uk/company/nghr/jobs.cgi]

In 'Job Search', look for under 'Department' for Defence Science and Technology Laboratory. Email a completed application form which can be downloaded from the Civil Service Jobs website and save in MS Word format, then send to dstlrecruitment@dstl.gov.uk quoting the vacancy reference.
